

Murano Glass Flush Ceiling Light

AESTHOME

SPECIFICATION SHEET

DESCRIPTION

The Murano Glass Flush Ceiling Light brings sculptural elegance to the ceiling with its graceful, petal-like form. Deeply fluted curves catch and diffuse the light, creating a soft, inviting glow while giving the fixture a beautiful sense of movement. Available in crisp white or warm beige, the glass shade can be finished with either a sleek, smooth surface or a delicate crackle texture for added depth and character. Its refined, low-profile silhouette makes it an elegant choice for bedrooms, hallways, living rooms, and other spaces with lower ceilings.
