SPECIFICATION SHEET

DESCRIPTION

Drawing on the elegance of 1930s German Art Deco, the Deco Petal Chandelier pairs a dark circular metal frame with refined cast-brass accents. Ivory glass shades radiate outward like unfolding petals, creating a sculptural silhouette with timeless character. Available in six- and eight-light configurations, it offers two sizes to suit different spaces.

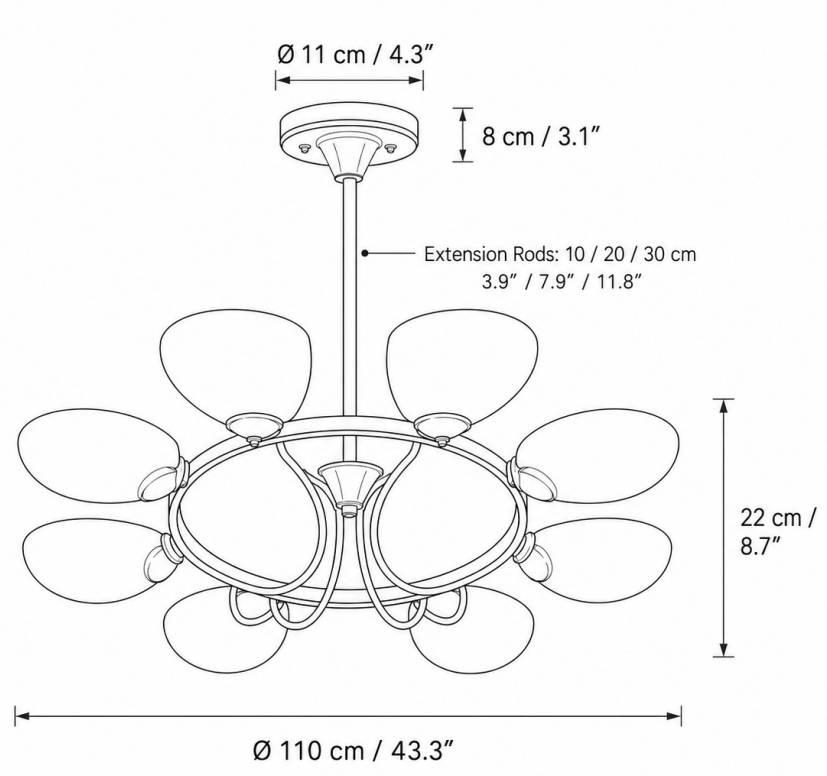

When illuminated, the ivory glass gently diffuses the light into a warm, mellow glow reminiscent of classic cinematic interiors. Ideal for living rooms, dining areas, and statement spaces, this chandelier brings an inviting sense of romance, nostalgia, and sophistication.
