

Nordic Wooden Ceiling Fan Light

AESTHOME

SPECIFICATION SHEET

DESCRIPTION

The Nordic Wooden Ceiling Fan Light combines natural warmth with clean, contemporary design. Three sculpted wooden blades flow around a compact central body, while the integrated LED provides comfortable, even illumination without interrupting its streamlined silhouette.

Available in 42" and 48" sizes, it is well suited to bedrooms, living rooms, dining areas, and other modern interiors. Its energy-efficient variable-frequency motor operates smoothly and quietly, with reversible rotation to create a refreshing breeze in summer and improve air circulation during cooler months. Practical yet refined, this ceiling fan light brings year-round comfort and understated style to the home.
