Shell Mini Pendant Light

SPECIFICATION SHEET

DESCRIPTION

The Shell Mini Pendant Light features layers of sculpted glass that unfold like delicate seashells or flower petals. Fine ribbed textures run through each glass panel, catching and refracting the light to create a soft, shimmering glow. Subtle brass-toned details add a refined finish, while the choice of Clear Glass or Cognac Glass gives the design two distinct moods, from light and crystalline to warm and atmospheric. Elegant yet organic, it makes a beautiful accent for bedrooms, hallways, dining areas, and intimate corners of the home.
