

Solis Column Wall Lamp

SPECIFICATION SHEET

DESCRIPTION

The Solis Column Wall Lamp pairs a slender cylindrical form with the organic beauty of natural yellow travertine. Its warm, earthy tones and distinctive pores, veining, and tonal variations give every piece a character of its own.

Light is cast gently upward and downward, creating a soft architectural wash across the wall while highlighting the stone’s tactile surface. Minimal yet sculptural, Solis brings warmth, depth, and timeless elegance to hallways, staircases, bedrooms, and contemporary living spaces.
