

Talonwood Table Lamp

AESTHOME

SPECIFICATION SHEET

DESCRIPTION

The Talonwood Table Lamp brings warm mid-century character to modern interiors with its sculptural blend of wood, metal, and fabric. A tapered wooden column rises from a softly flared metal base, while the layered conical shade is finished with contrasting trim for a distinctive geometric touch.

Casting a gentle, inviting glow, its balanced proportions and understated vintage appeal make it an elegant addition to bedside tables, desks, consoles, or cosy reading corners.
