SPECIFICATION SHEET

DESCRIPTION

The Golden Flourish Glass Wall Sconce brings together delicate material detail and expressive sculptural form. Its gently folded, handcrafted glass shade is infused with fine golden flecks, creating a softly luminous texture that becomes especially enchanting when illuminated.

A dark, patinated metal accent curls across the glass like a fluid calligraphic flourish, adding depth and movement to the slender silhouette. Both decorative and functional, this distinctive wall light brings an artistic glow to bedrooms, hallways, entryways, and thoughtfully curated interiors.

Note: As each glass shade is individually hand-blown, slight variations in shape, texture, and color may occur. Small bubbles or subtle irregularities within the glass are natural characteristics of the handcrafted process and are not considered defects, making every piece unique.
