

Amber Core Wall Lamp

AESTHOME

SPECIFICATION SHEET

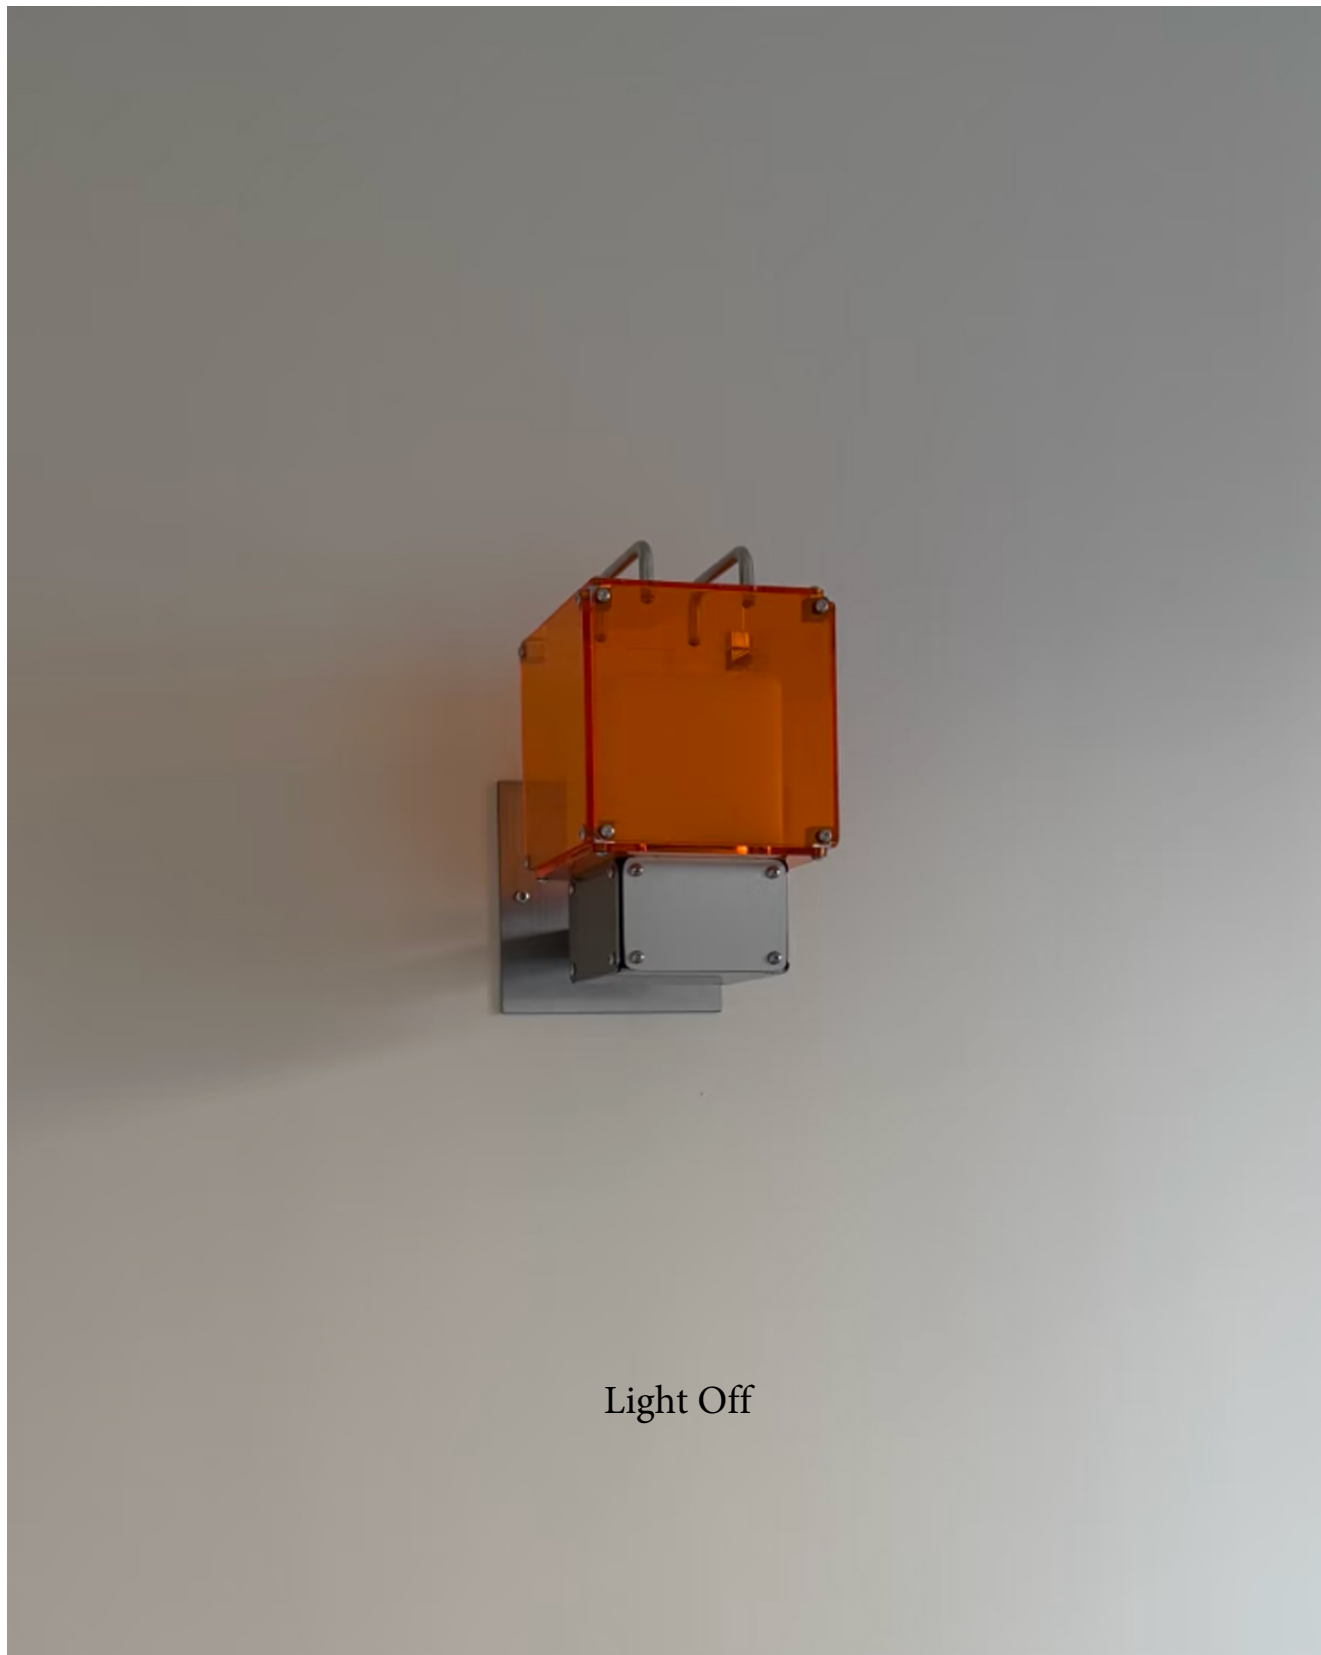

DESCRIPTION

The Amber Core Wall Lamp transforms compact geometry into a warm visual statement. Translucent amber acrylic surrounds a softly glowing inner diffuser, while the structured metal frame and exposed hardware lend an architectural edge. When illuminated, it casts a rich golden radiance that brings depth and atmosphere to bedrooms, hallways, reading corners, and intimate living spaces. Small in scale yet full of character, Amber Core adds both warmth and sculptural presence to the wall.

SPECIFICATION DETAILS

*For custom options, consult factory for details

SKU:	58205555786112
Materials:	Aluminum, Acrylic, Stainless Steel.
Size:	L 16 cm × W 23 cm × H 26 cm / L 6.3" × W 9.1" × H 10.2"
Light source:	Integrated LED.
Voltage:	AC 110-240V.
Mounting:	Wall.
Wattage:	~7W.
