AESTHOME

SPECIFICATION SHEET

DESCRIPTION

The Bloom Wall Light draws inspiration from a magnolia bud gently unfolding, with overlapping ceramic petals forming a graceful, sculptural shade. Its creamy finish softly diffuses the light, casting a warm and restful glow while the brass framework adds a refined touch of contrast.

Available in both a fixed-height design and a height-adjustable version, Bloom can be tailored to suit different spaces and lighting arrangements. Whether placed beside a bed, above a console, or in a quiet reading corner, it brings an elegant botanical presence and a soothing sense of warmth to the interior.
