

Calla Wall Sconce

AESTHOME

SPECIFICATION SHEET

DESCRIPTION

Echoing the graceful unfurling of a calla lily, the Calla Wall Sconce transforms light into a sculptural gesture. Its flowing gypsum form folds inward like a delicate petal, concealing the light source and releasing a soft, diffused glow across the wall. The smooth, matte surface enhances the purity of its silhouette while lending the piece a warm, tactile character.

Striking yet serene, Calla sits beautifully between functional lighting and wall sculpture. Displayed alone, it creates an elegant focal point; arranged as a pair, it brings a sense of quiet symmetry beside a mirror, bed, or console. Its organic curves lend understated sophistication to living rooms, bedrooms, reading corners, and thoughtfully composed interiors.

SPECIFICATION DETAILS

*For custom options, consult factory for details

SKU: 58205564764544

Material: Plaster.

Size: Dia 13cm x H 23cm / Ø 5.1" x H 9.1"

Light source: LED bulb or Edison bulb.

Light source base type: G9.

Voltage: AC 110-240V.

Mounting: Wall.

Moisture resistance: IP 20 Damp-rated not waterproof, for indoor use only

Environment: Indoor.

Body Finishes: White.

Wiring: Hardwired.

Control: Compatible with a common wall switch. (not included).

Regional Compatibility: Suitable for use in North America, Europe, and Australia.
