

Candy Block LED Wall Sconce

AESTHOME

SPECIFICATION SHEET

DESCRIPTION

Playful in color and crisp in form, the Candy Block LED Wall Sconce transforms a compact light into a sculptural wall accent. Its thick, translucent acrylic shade features a layered square profile, softly diffusing the integrated LED into a warm, atmospheric glow.

Paired with a sturdy iron base, the clean geometric silhouette feels both modern and cheerful. Its compact proportions make it ideal beside a bed, along a hallway, or arranged in a colorful grouping to create a striking decorative display.

Available in four distinctive finishes—smoky gray, clear, amber, and green—Candy Block offers an effortless way to introduce color, light, and personality into contemporary interiors.
