Beige Glass

Clear Glass

SPECIFICATION SHEET

DESCRIPTION

The Carmine Glass Flush Mount Ceiling Lamp pairs a glossy, deep red canopy with three rounded glass globes, each encircled by slender chrome rings. This orbit-inspired detailing gives the design a playful sculptural quality, while the globes cast a soft and inviting glow.

Blending retro character with a clean, balanced silhouette, Carmine brings warmth and personality to living rooms, bedrooms, hallways, and other compact spaces. Choose cream glass for a mellow, diffused ambiance or clear glass for a brighter, more defined expression.

SPECIFICATION DETAILS

*For custom options, consult factory for details

SKU	58205543203200
