

Classic Plaster Wall Sconce

AESTHOME

SPECIFICATION SHEET

DESCRIPTION

The Classic Plaster Wall Sconce draws inspiration from the sculptural forms of 1930s French design, reinterpreted with a clean, contemporary restraint. Its overlapping curves create a graceful layered silhouette, while concealed light washes the wall with a warm, atmospheric glow. Understated yet distinctive, it brings quiet elegance to entryways, dining spaces, hallways, and intimate living areas.

Crafted from Glassfiber Reinforced Gypsum (GRG), the shade features a subtle mineral texture and softly hand-finished character. A concealed metal mounting base provides dependable support and is treated with an oxidation-resistant coating to help protect against corrosion and rust over time. The result is a sculptural wall light that balances visual softness with lasting durability.

SPECIFICATION DETAILS

*For custom options, consult factory for details

SKU:	AH-CPWS-L 1
Materials:	Plaster, Metal.
Size:	L 12.6" x H 5.1" / L 32 cm x H 13 cm
Light source:	LED bulb or Edison bulb.
Light source base type:	G9.
Voltage:	AC 110-240V.
Mounting:	Wall.
IP Rating:	IP20. Not waterproof; suitable for indoor use in dry locations only.
Environment:	Indoor.
Body Finishes:	White.
Shade:	White.
Ideal for:	Bedroom, Living room, Dining room, Hallway, etc.
Wiring:	Hardwired.
Control:	Compatible with a common wall switch. (not included).
Regional Compatibility:	Suitable for use in North America, Europe, and Australia.
