SPECIFICATION SHEET

DESCRIPTION

Inspired by the refined elegance of 1930s Swedish Art Deco, the Fika Chandelier pairs polished brass with lustrous ivory glass to create a distinctive vintage character. Three gracefully curved arms extend from a sculptural central orb, each supporting a circular glass shade detailed with a striking green geometric motif.

More than a source of light, the Fika Chandelier serves as an elegant focal point, casting a warm, inviting glow while bringing the sophisticated glamour of the Art Deco era to dining rooms, living spaces, and other thoughtfully designed interiors.
