

French Pear Table Lamp

AESTHOME

SPECIFICATION SHEET

DESCRIPTION

Soft by day, atmospheric by night, this pear-shaped table lamp brings a quiet sense of charm into everyday interiors. Its rounded silhouette and glossy glass finish feel sculptural yet approachable, making it as much a decorative object as a source of light.

Available in milky white or warm amber glass, it blends effortlessly into vintage-inspired, modern, or eclectic spaces.

By night, a gentle touch control allows you to switch between three colour temperatures—warm, neutral, and cool white—so the light adapts easily to different needs. Warm light creates a calm, eye-friendly glow for late-night reading, while cooler settings provide clearer illumination whenever needed.
