

Goodspell Orb Chandelier

AESTHOME

SPECIFICATION SHEET

DESCRIPTION

The Goodspell Orb Chandelier transforms soft illumination into something quietly magical. Graceful iron arms curve around a sculptural glass column, supporting luminous orbs that appear to float effortlessly in perfect balance. Their rounded forms soften the light, casting a warm and weightless glow throughout the room.

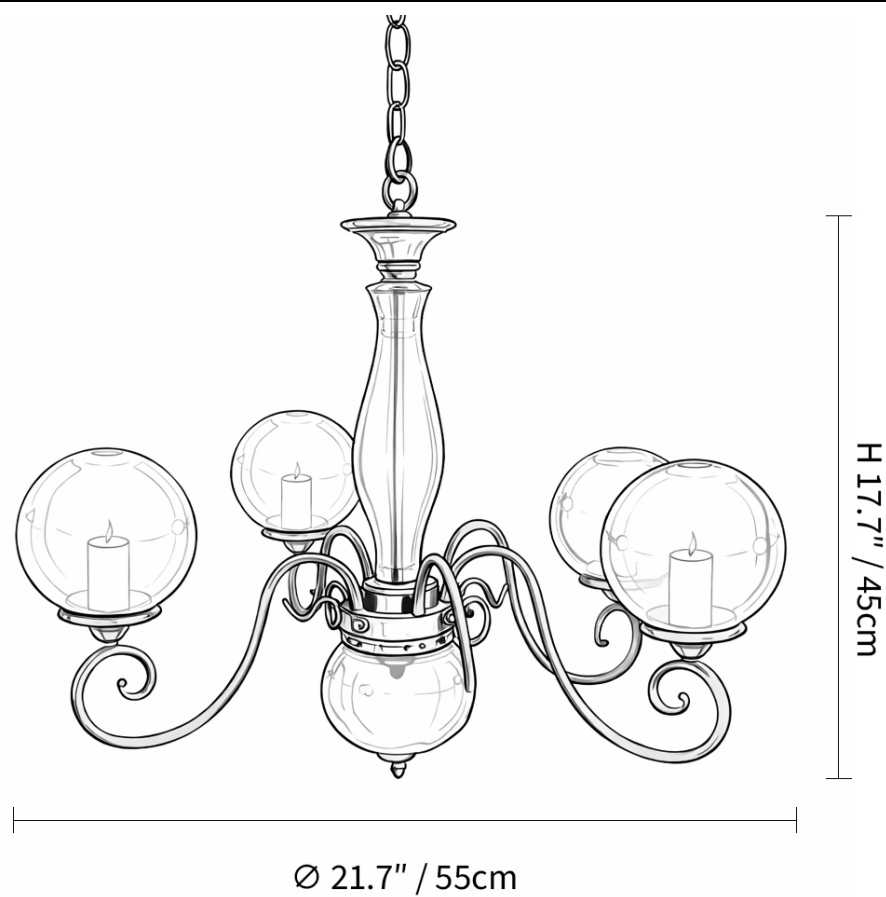

Romantic without feeling overly ornate, Goodspell carries a subtle fairytale charm that remains elegant and refined. Available in four distinctive glass finishes—from delicate blush and smoky blue to crystal clear and softly frosted white—each version creates its own enchanting mood. Suspended above a dining table or placed at the heart of a living space, it becomes more than a chandelier: it creates an atmosphere that feels serene, inviting, and touched by a little magic.

SPECIFICATION DETAILS

*For custom options, consult factory for details

SKU: 58205205791104
Size: Ø 21.7" x H 17.7" / Dia 55 cm x H 45 cm
Material: Glass, Iron.
Light Source: LED Bulb.
Colour Temperature: Warm Light (3000K).
Voltage: AC 110–240V.
