

Honey Glow Ceiling Light

AESTHOME

SPECIFICATION SHEET

DESCRIPTION

The Honey Glow Ceiling Light brings a gentle vintage warmth to the room with its softly rounded cream glass shade and rich caramel-toned rim. Polished metal bands frame the glass with clean, architectural lines, creating a refined contrast between warmth and shine.

When illuminated, the glass diffuses the light into a calm, inviting glow. Its compact flush-mount silhouette sits neatly against the ceiling, making it an elegant choice for bedrooms, hallways, living spaces, or rooms with lower ceilings. Understated yet distinctive, it complements both classic and contemporary interiors.
