

Lumi Pebble Pendant Light

AESTHOME

SPECIFICATION SHEET

DESCRIPTION

The Lumi Pebble Pendant Light brings together polished natural stone and luminous alabaster in a playful, sculptural composition. Three rounded, pebble-like accents are stacked above the cylindrical shade, introducing rich colour and organic texture. Once illuminated, warm LED light filters through the translucent alabaster, revealing its distinctive veining and bathing the surface in a soft amber glow. The result is intimate, atmospheric, and quietly expressive.

Compact in scale yet full of personality, Lumi creates a beautiful point of light beside a bed, above a kitchen island or dining nook, or within a cosy reading corner. As each lamp is crafted from natural stone, subtle variations in colour, veining, and texture make every piece truly one of a kind.

SPECIFICATION DETAILS

*For custom options, consult factory for details

SKU:	58733291667840
Materials:	Marble, Iron.
Size:	Ø 4.7" x H 5.5" / Dia 12 cm x H 14 cm
Light source:	Integrated LED.
Voltage:	AC 110-240V.
Mounting:	Pendant.
Kelvin range:	Warm Light (3000K).
IP Rating:	IP20. Not waterproof; suitable for indoor use in dry locations only.
Environment:	Indoor.
Body Finishes:	Red, Yellow, Green.
Shade Finishes:	Black, White.
Ideal for:	Dining Room, Kitchen Island, Bedroom, Living room, etc.
Wiring:	Hardwired.
Control:	Operated via a standard wall switch (not included).
