

Lumo Mic Wall Lamp

AESTHOME

SPECIFICATION SHEET

DESCRIPTION

The Lumo Wall Lamp moves effortlessly between wall light and portable table lamp. Its slender aluminium body is topped with a softly glowing glass globe, creating a clean, sculptural silhouette with a distinctly modern character.

Simply lift it from the wall bracket to use it wherever light is needed—beside the bed, in a reading corner, or as a gentle accent on a table. A USB-C rechargeable battery keeps the design cordless and easy to move.

Available in Silver, Ash Wood, and Sky Blue, Lumo brings warmth, flexibility, and understated elegance to any interior.
