

Petal Bud Glass Wall Sconce

AESTHOME

SPECIFICATION SHEET

DESCRIPTION

Delicate and softly nostalgic, the Petal Bud Glass Wall Sconce brings floral elegance to everyday interiors. Its sculpted glass shade is shaped like a blossoming bud, with graceful ribs and a scalloped edge that catch the light and cast shimmering patterns across the wall.

A slender brass-toned arm and round backplate add a refined vintage touch while keeping the silhouette light and balanced. Available in a selection of translucent and opal glass finishes, Petal Bud is a charming choice for bedrooms, hallways, reading corners, and vanity areas—compact in scale, yet rich in character.
