DESCRIPTION

The Petite Blossom Glass Wall Light pairs a softly rounded glass shade with delicate floral motifs and warm brass-toned metalwork. Compact yet full of character, its graceful silhouette recalls a treasured vintage piece, bringing a gentle sense of romance and nostalgia to the room.

Colored enamel blossoms decorate the glass with subtle depth and an artisanal touch. When illuminated, the softly tinted shade diffuses the light into a warm, inviting glow, while the floral details add charm without feeling overly ornate.

Perfect beside a bed, above a vanity, along a hallway, or in a cozy dining corner, the Petite Blossom creates an intimate decorative accent whether displayed alone or arranged as a pair.
