SPECIFICATION SHEET

DESCRIPTION

The Rosso Sera Wall Lamp draws on the warmth and character of vintage interiors. Its rounded red glass shade recalls the glow of an evening sky, while the sculpted iron backplate and brass-toned details lend it a polished retro finish. A gentle turn of the metal knob switches the light on and off, adding a tactile element to its nostalgic silhouette. Rich yet refined, Rosso Sera brings a warm, cinematic presence to bedrooms, hallways, and intimate living spaces.
