Note: Includes three connectable rods measuring 10 cm, 20 cm, and 30 cm (3.9" , 7.9" , and 11.8"), which can be used separately or combined to adjust the hanging height.

DESCRIPTION

Inspired by 1940s Bohemian glass lighting from Czechoslovakia, the Serenade Boho Glass Chandelier brings vintage romance and sculptural elegance into the home. Its light champagne glass shades have a delicate translucency and jade-like luster, giving the chandelier a warm, refined presence whether illuminated or unlit.

When lit, the glass gently diffuses the light to create a mellow, soothing glow without harsh glare. At its core, a substantial iron structure is carefully shaped, polished through multiple stages, and electroplated for a smooth, lustrous finish.

Available in 3-light and 5-light designs, Serenade creates an elegant focal point above a dining table or in a bedroom, living room, or softly styled interior.
