

Shell Wall Light

AESTHOME

SPECIFICATION SHEET

DESCRIPTION

Inspired by the delicate form of a seashell, the Shell Wall Light pairs sculpted, fluted glass with a warm brass-finished base. Its fan-like silhouette catches and refracts the light beautifully, casting a soft golden glow while accentuating the glass’s graceful contours.

Elegant yet expressive, this wall light brings a touch of vintage glamour to bedrooms, hallways, living spaces, and other thoughtfully curated interiors. Whether illuminated or switched off, it serves as both an atmospheric light source and a refined decorative statement.
