

Woodwish Wall Lamp

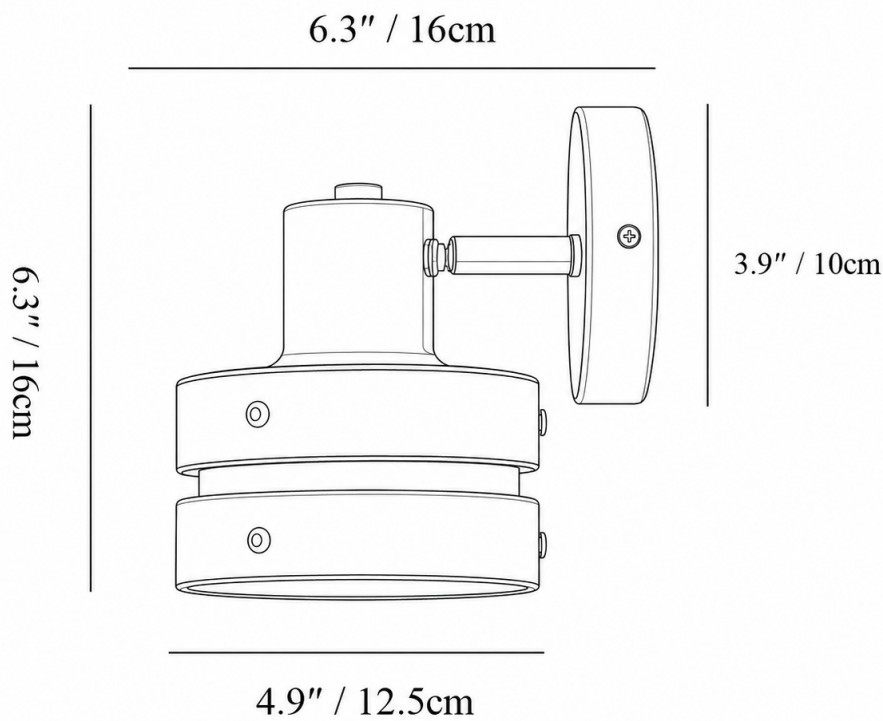

AESTHOME

Note: This wall lamp is available in two versions: hardwired and pull-cord.

- Hardwired version connects to a pre-installed wall switch and is controlled by that switch.
- Pull-cord version is designed for locations with pre-installed wiring but no wall switch. The lamp is operated using the pull cord. If a wall switch is already installed, the switch must remain on for the pull-cord function to work.

SPECIFICATION SHEET

DESCRIPTION

This compact wall lamp pairs warm natural wood with polished metal details for a refined, subtly retro look. Its adjustable shade directs a soft, focused glow wherever it is needed, while the pull-chain switch adds a simple, tactile touch. Thoughtfully designed for everyday use, it brings warmth and character to bedside spaces, hallways, and reading corners.
